25X1A

25X1A

fair-haired boy of White.

25X1A

25X1A

[REDACTED] has done good job at [REDACTED], but has weaknesses and failings.

25X1A

25X1A

25X1A

[REDACTED] better man than [REDACTED] not too strong in administration.

25X1A

25X1A

sends regards to Colonel White.

25X1A

Approved For Release 2001/08/31 : CIA-RDP78-05551A000100080007-1

Approved For Release 2001/08/31 : CIA-RDP78-05551A000100080007-1

25X1A

[REDACTED] (Contd)

Personnel contracting regulations should be sent to field with sample contracts for different types of personnel.

Headquarters takes forever to amend contracts recommended by the field. The whole contracting function at Headquarters has very low rating in the field.

25X1A

[REDACTED] promoted by Headquarters after doing poor job in the field.

This personnel situation has been the pattern for some time in the past.

All wives should be security cleared before coming to the field.

There is a great lack of information in the field re personnel policies.

Headquarters needs a field personnel training program for personnel going overseas.

Biographic information required in the field.

Personnel Office personnel sent overseas should be generalists and not specialists.

25X1A

[REDACTED]

Personnel operations improving--assistant just arrived and appears to have promise.

25X1A

Promotion of [REDACTED] pending for over a year.

25X1A

[REDACTED]

[REDACTED] sent in hospitalization claim in July--had not been settled in November.

Check on hospitalization claim of [REDACTED]--she is finding it difficult in paying continuing hospital and doctor bills due to lack of reimbursement.

25X1A

Generally takes 6 months to settle hospitalization claims.

25X1A

[REDACTED]

says personnel man at [REDACTED]

25X1A

25X1A

(Contd)

adequate--technical ability good but lacks initiative and experience in over-all personnel matters and problems of individuals.

25X1A

better man.

25X1A

assigned to operations for the next six months at [redacted] at which time tour will be up. [redacted] needs personnel technician immediately.

25X1A

1/4 of those now on duty are Contract Personnel.

Single men and women--nothing to do--no place to go.

GS-6 personnel position should be filled promptly by personnel technician.

Replacement for [redacted] should be expedited.

25X1A

25X1A

Insurance claims field with Headquarters takes from 6 to 8 months before payment is received. [redacted] sent in claim 18 April 1955--not paid as of November 1955--Cabled 18 August 1955--No. 1876--no reply.

25X1A

Why does it take so long to process withdrawals from Credit Union.

WH Division is also complaining about the long time it takes to process withdrawals from Credit Union.

25X1C

25X1A

25X1C

25X1A

desires to become Training or Operations Officer--per

25X1A

[redacted] on assignment as Transportation Officer on contract basis--desires staff status--got run around while at Headquarters.

25X1A

His contract amended to eliminate Civil Service Retirement Benefits and placed under Social Security Benefits--desires to know whether he can pay into Civil Service Retirement Fund to cover period of payments to Social Security.

[REDACTED] --no answer.

Between \$80,000 and \$100,000 worth of medical equipment and supplies
are being returned [REDACTED]

25X1C

25X1A

[REDACTED]

25X1C

[REDACTED]

25X1A

[REDACTED]

No dental facilities.

25X1A

[REDACTED]

COMPTROLLER'S NOTES MADE ON RECENT TRIP TO FAR EAST AREA RELATED TO
SECURITY MATTERS

Security

25X1A

[REDACTED]
All contract personnel must be cleared by Headquarters before employment--field should be given latitude to employ and report to Headquarters.

25X1A

[REDACTED]
First general assignment for both [REDACTED]--both former investigators.

25X1A

25X1A

25X1A

[REDACTED] disappointed in promotion being held up until new man takes over.

25X1A

[REDACTED] in process of being transferred to [REDACTED]

25X1A

Requires another general security officer of lower grade GS-7 or 9.

25X1A

[REDACTED]
New employees buy furniture on arriving and sell on leaving. This procedure is contrary to [REDACTED] of handling employees' furniture.

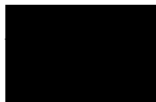

25X1C

CONFIDENTIAL

COMPTROLLER'S NOTES MADE ON RECENT TRIP TO FAR EAST AREA RELATED TO
AUDIT MATTERS

Audit

25X1A

not on the ball.

Inventory not test checked by Audit.

25X1A

Chief Auditor sent dispatch to [REDACTED] requesting secretarial position be converted to Auditor position and that [REDACTED] would give secretarial support. [REDACTED] states that he does not have sufficient secretarial help to render such service.

25X1A

25X1A

25X1A

25X1A

All audits of [REDACTED] current with the exception of [REDACTED] which is two months overdue.

25X1A

Plan audits every six months.

Finance doing good job.

Mess, Club, and Golf Course operations at [REDACTED] are not in good shape.

25X1A

25X1A

Auditor not familiar with Class B accounting and was unable to render assistance in solving the many problems.

COMPTROLLER'S NOTES MADE ON RECENT TRIP TO FAR EAST AREA RELATED TO
TSS MATTERS

TSS

25X1A

[REDACTED]

Complaint that personnel ceiling is not large enough.

25X1A

Would like notification of present ceiling at [REDACTED]
and [REDACTED]

25X1A

Agreed activities paper has increased workload immensely in connection with furnishing documentation to the Services and [REDACTED] need two more document personnel.

25X1A

Better planning should take place at Headquarters re rotation of personnel. Presently, personnel are not replaced until approximately four months after the field personnel have left for home. Overlap should take place in field.

Demand for training leaves [REDACTED] short of especially SW personnel.
